To the target audience and to parents and teachers. But I do know I want to read more by the author. I didn't know his formal name was that long. I wonder why there aren't more. It's a beautiful story. He thought it was real sad. He doesn't care much for sad. He gave this 3 stars. The pictures are simple and there is hardly any detail. The text however is all over the page. Typically it is one spot. The font changes on almost every page. Hardcover Cathleen Daly just kind of knocks me over. She finds a way to express herself through her art. Sometimes it fell off. Shes authored one chapbook of poetry Ode to the Unhinged. Sometimes it fell off. She's authored one chapbook of poetry Ode to the Unhinged. An excellent conversation tool. Hardcover Effective. The blue period is symbolism of sadness. Emily wants to be an artist. Hardcover Emily wants to be an artist. Emily's life is a little mixed up right now. And now I am in my blue period." It might last quite some time. For one thing I am NOT a Picasso fan. But I very much liked Emily's heart collage. I thought that was strange
