

Well, Doc, It Seemed Like a Good Idea At The Time!: The Unexpected Adventures of a Trauma Surgeon By J. Paul Waymack

## Well, Doc, It Seemed Like a Good Idea At The Time! ebook reader

In 1976 Paul Waymack began chronicling his experience as a third-year medical student and for the next 20 years he kept a journal filled with crazy stories of unusual patients maladies and international espionage. **Well doc it seemed like a good idea at the time books** It tells about varied interesting and funny times in his career Well Doc It Seemed Like a Good Idea At The Time!: The Unexpected Adventures of a Trauma Surgeon The book is about the stages in the author's life and relates various generally amusing anecdotes along the way. **Well, Doc, It Seemed Like a Good Idea At The Time! epub** air For anyone thinking of reading it if you don't like animal experimentation or the arrogance and misogyny of the medical profession (the author writes of it but does respect nurses and their opinions himself) then you might not like this book at all. **Well, Doc, It Seemed Like a Good Idea At The timeknit** 5 Well Doc It Seemed Like a Good Idea At The Time!: The Unexpected Adventures of a Trauma Surgeon EntertainingEntertaining writing and filled with stories that will have you laughing out loud or dropping you jaw in total surprise. **Well doc it seemed like a good idea at the time books** Well Doc It Seemed Like a Good Idea At The Time!: The Unexpected Adventures of a Trauma Surgeon This book is what happens when a retired medical doctor who has led an interesting career has supper with a lawyer who dabbles in publishing whose daughter-in-law is an editor. **Well, Doc, It Seemed Like a Good Idea At The Time! kindle paperwhite** For example the interns sent to give a woman a whirlpool bath in Betadine who used Betadine scrub (a kind of soap) instead of Betadine solution (which does not bubble) and lost the patient briefly in the mound of red suds created by the water jets. **Book well doc it seemed like a good idea at the time quotes** Dr Waymack seems like a mighty fine fellow who led a mildly interesting professional life but he is man of his times an only average writer and you don't need to read his book. **Well, Doc, It Seemed Like a Good Idea At The timed interview** Well Doc It Seemed Like a Good Idea At The Time!: The Unexpected Adventures of a Trauma Surgeon Fun Medical MemoirDoesn't quite hit the level of quirky hilarity of M\*A\*S\*H but he gives it a good shot sharing anecdotes from throughout has medical career which was quite varied and extensive. **Well, Doc, It Seemed Like a Good Idea At The timefap** 5-3 stars Well Doc It Seemed Like a Good Idea At The Time!: The Unexpected Adventures of a Trauma Surgeon Animal testing is horrificThe descriptions of how this doctor treated his research animals is chilling. **Book well doc it seemed like a good idea at the time quotes** Well Doc It Seemed Like a Good Idea At The Time!: The Unexpected Adventures of a Trauma Surgeon 3 starsAfter trying many times to continue this book I just feel like DNF it because I just lost interest on it. **Book well doc it seemed like a good idea at the time quotes** The first stories were actually pretty funny and relatable since I also work in the

healthcare world (not as a doctor but as a nurse) but the more I progressed the less connected I felt since he started talking about the army and stuff. **Book well doc it seemed like a good idea at the time** Some of them he's the first to admit seem unbelievable--like chasing a naked patient around the ER parking lot in the middle of the night : **Well doc it seemed like a good idea at the time email** Army Medical Corps during the Cold War on orders of the president and with a KGB agent hot on his tail in the Soviet Union. **Pdf well doc it seemed like a good idea at the time reddit** Waymack could never have imagined most of what he experienced as a doctor but these stories are all true, **Book well doc it seemed like a good idea at the time quotes** Well Doc It Seemed Like a Good Idea At The Time!: The Unexpected Adventures of a Trauma SurgeonTrauma SurgeryThis book is interesting reading, **Well doc it seemed like a good idea at the time lyrics** I've read a lot of books in this genre and this one is only about average: **Well, Doc, It Seemed Like a Good Idea At The timein** Although the author had some interesting adventures and exploits it was a time-filler nothing memorable: **Well, Doc, It Seemed Like a Good Idea At The Time! epub**s The writing was good I didn't find any kind of connection that made me want to know the author: **Book well doc it seemed like a good idea at the time reddit** Well Doc It Seemed Like a Good Idea At The Time!: The Unexpected Adventures of a Trauma Surgeon 3: **Well, Doc, It Seemed Like a Good Idea At The timeheart** You won't ever look at your doctors the same after reading this: **Well, Doc, It Seemed Like a Good Idea At The Time! kindle paperwhite** Notes collected over twenty years of medical school internship residency research leading to a Sc, **Well, Doc, It Seemed Like a Good Idea At The timed interview** an Army commission and medical mission to Russia and teaching in medical school can be turned into a book of anecdotes: **Kindle well doc it seemed like a good idea at the time of** These sound remarkably like the sorts of stories which such a surgeon might tell at the dining-room table over , **Well, Doc, It Seemed Like a Good Idea At The timed interview** For example the woman who ate three squirrels full of birdshot and appeared on x-ray as if she herself has been shot but presented no entry wounds. **Well, Doc, It Seemed Like a Good Idea At The timefap** One of the problems which this book suffers is that humour changes over time. **Well, Doc, It Seemed Like a Good Idea At The timein** Paying back demanding patients by giving them an overdose of laxative may have been funny in the Seventies but it seems more like grounds for a malpractice suit today: **Well, Doc, It Seemed Like a Good Idea At The timecat** Comments about the physical attributes of nurses may have been the norm in the Seventies but it is the grounds for a gender-based lawsuit today: **Well, Doc, It Seemed Like a Good Idea At The timeline** The antics of alcoholic and drug addicts may have been funny in the Seventies but they are tragic pathetic and not at all comedic today. **Well, Doc, It Seemed Like a Good Idea At The timed interview** Well Doc It Seemed Like a Good Idea At The Time!: The Unexpected Adventures of a Trauma Surgeon This is a book recommended by my mother because she is on it. **Well doc it seemed like a good idea at the time book** This book is Paul Waymacka journey in surgery and research through funny anecdotes: **Well, Doc, It Seemed Like a Good Idea At The timein** It says 1976through 1991 from Richmond to Hershey to Cincinnati to Galveston to Russia: **Well, Doc, It Seemed Like a Good Idea At The timein** In Richmond Virginia his career starts with a flashlight naked patient and his learning of medicine in the emergency medicine. **Book well doc it seemed like a good idea at the time of** In Cincinnati he has his residency in Surgery and learn a of Holmes hospital which rich people stay at instead of a hotel: **Well doc it seemed like a good idea at the time henry** He the starts his fellowship in burns research also in Cincinnati Ohio where he years lots of days and encounters my mother also doing burns research. **Well, Doc, It Seemed Like a Good Idea At The timeboard** He then goes to Galveston TX to be an army surgeon as a burn surgeon where he has experiences with helicopter pilots exploding suitcases and lost generals, **Well, Doc, It Seemed Like a Good Idea At The timeknit** He gets posted on Russia where medicine is 50 years behind and the Americans need to teach modern techniques carefully: **Book well doc it seemed like a good idea at the time meaning** There is humor in this book and interesting intelligent stories about the medical . **Well doc it seemed like a good idea at the time pdf free** I will say he nailed the psych elements dead on and always take his advice of listening to

nurses and other staff seriously. **Well, Doc, It Seemed Like a Good Idea At The Time!** **epubs air** He was at Hershey Medical Center during the Three Mile Island incident during which he was honing his skills at practical jokery as there weren't a lot of available patients: **Well doc it seemed like a good idea at the time g** He eventually joined the Army travelled to interesting places met interesting people and helped them, **Well, Doc, It Seemed Like a Good Idea At The Time!** **epubor** Which is a funnier joke if you are old enough to remember Vietnam protest posters and one I'm mildly surprised he didn't try to use: **Well, Doc, It Seemed Like a Good Idea At The Time!** **kindle paperwhite** **Well Doc It Seemed Like a Good Idea At The Time!:** The Unexpected Adventures of a Trauma Surgeon Some stories are interesting some are funny some are neither, **Well, Doc, It Seemed Like a Good Idea At The Time!** **kindle paperwhite** I can imagine him sitting at a dinner party sharing some of these stories in almost the same way they're written, **What to say instead of i just wanted to let you know** The earlier stories were the funnier/more interesting ones for me and I was expecting them all to be that way: the more outlandish weird-but-true patient cases: **Book well doc it seemed like a good idea at the time quotes** There are many stories of the patients he treated and for the most part that is OK: **Well, Doc, It Seemed Like a Good Idea At The timeboard** But he also did a lot of research as well and for that he used rats. **Kindle well doc it seemed like a good idea at the time now** He went into detail on the animal testing that he personally did and the descriptions of how he hurt and maimed innocent animals is horrible, **Well, Doc, It Seemed Like a Good Idea At The timeknit** After the experiences in this book he apparently started a drug company that is based in Israel. **Pdf well doc it seemed like a good idea at the time meaning** He is in some legal trouble for insider trading on their stock market, **Well, Doc, It Seemed Like a Good Idea At The timeknit** Overall what I read was not bad just don't enjoy it anymore. **Well doc it seemed like a good idea at the time pdf free** **Well Doc It Seemed Like a Good Idea At The Time!:** The Unexpected Adventures of a Trauma Surgeon.

. . or constructing a horse sling for a 700-pound patient . . or treating a patient who swallowed a cigarette lighter . . or serving as a major in the U.S. In his wildest dreams Dr. He couldn't have made them up if he tried. The author writes about his life as a trauma doctor.D. and perhaps they are. A few of these stories are genuinely interesting. Some are genuinely funny. The first events in the book are from 1976. In Hershey PA the highlight was 3 mile island. He gives a white rat CPR. My favorite is washing paper gowns. In the late 20th century. The stories are sometimes funny sometimes poignant. Sexism in some. His voice was definitely laid back/colloquial. That wasn't the case. I was glad it was on the shorter side. 2
