

Arctic Foxes (Natures Children) By Patricia Janes

Book Arctic foxes

Learn how the arctic fox survives in frigid temperatures! Nature's Children series provides young readers (Ages 8-10) with fascinating information about the planet's most incredible wildlife species. **Arctic fox book read aloud** Did you know that arctic foxes have the warmest fur of any animal-or that they don't shiver until temperatures drop to around a frigid -112°F (-80°C)? Arctic Foxes (Natures Children)

: **EBook Arctic foxes** Each title offers a complete picture of the animal- from birth to adulthood- and describes its place in our world including how humans impact it and its environment
