Fake it 'till you make it type of deal. Enough said really don't really need a whole book on it. Basically it's positivity and law of attraction. I am impressed and highly recommend this book. You may already be using an alter ego. I skimmed a few chapters but I'm glad I finished. English I've loved reading since I was a kid. I've read thousands of books - many really good books. This is one of THE best books I've ever read. If I could give it 6 or 7 stars I would. English Notes publised at: <https://github.com/nadeesha/kb/blob/m.##> Rating- 1/5- I regret picking up this book. 80% of this book is fluff. 5% of it is actionable advice.- I mostly skimmed it due to the lack of substance.## Notes- Human beings are really good at make-believe. That person is already inside you. You just need to unlock them. This other part of you is your Alter Ego. It all clicked for Todd when he met Bo Jackson. I had so many "aha" moments while I was reading it. highly recommend it. Very practical. Embodied cognition). English Uniquely practically potentially life changing.
