

Feminized for his Inheritance: Wicked Step-Mother By Kylie Gable It is definitely fictionalized for entertainments sake but by writing it I hope to remember and explore those feelings I had in those wild days of my youth when everything seemed out of my control. It is definitely fictionalized for entertainment's sake but by writing it I hope to remember and explore those feelings I had in those wild days of my youth when everything seemed out of my control.

When Bill's father dies of a heart attack he rushes home from college to help out his new step-mother: Even though she's not much older than Bill is determined to help her get things in order because that's what his father would want, Unfortunately for Bill he will inherit all of his father's money if he is married by his twenty-third birthday and his step-mother is determined not to let that happen: With the help of her friends Barbara and Paula she intends to turn Bill into their feminized sex slave under their thumb and in their bedroom: This 6700 word story contains elements of female domination feminization bondage and humiliation, *Feminized for his Inheritance: Wicked Step-Mother* I have been fortunate than most. When I was in college I had a life changing experience that Im only coming to terms with years later: I was forcibly feminized by one amazing girl and her friends, There are a lot of legitimate questions of any writer in the genre of forced feminization but even so for someone like me who purports to tell a true story: The Welcome to College series is my attempt to explore what happened to me over four years of college, I will also be writing other erotica on such topics as feminization female domin I have been fortunate than most: When I was in college I had a life changing experience that I'm only coming to terms with years later. I was forcibly feminized by one amazing girl and her friends. There are a lot of legitimate questions of any writer in the genre of forced feminization but even so for someone like me who purports to tell a true story. The Welcome to College series is my attempt to explore what happened to me over four years of college. I will also be writing other erotica on such topics as feminization female domination bondage and humiliation: I have written books on much mundane topics but I find erotic writing to be quite addicting: {site_link} An interesting situation Bill has found herself in a unusual situation, He will no longer be Bill but Laurie and from what I've gathered he will have a varied sex life. It is intended for mature readers. *Feminized for his Inheritance: Wicked Step-Mother*.
