Women in Chinese SocietyWomen in Chinese Society edited by Margery Wolf and Roxanne Wilke is part of a 1970's series on anthropology studies of China. **Book Women in Chinese society of america** The series was summed up with Studies in Chinese Society edited by Arthur Wolf which I read first: **Book Women in Chinese society 2021** I have also previously read the volume on Religion in Chinese Society also edited by Arthur Wolf, **Book Women in Chinese society 2022** So far everything I've read in this series has been very good: **Book Women in Chinese society of america** I bought this book back in the summer but as it looks at more modern China I put off reading it till last week. **Book Women in Chinese society hill** But I'm now glad I finally was able to get around to it. **Book Women in Chinese society 2022** The book has a couple more historical and literary essays than the other books I've read in this series: **Women in Chinese Society pdf** It also spans a greater time line starting in the Ming dynasty: **Book Women in Chinese society 2021** It's a collection of essays by different scholars of the time written about the lives of women, **Epub Women in Chinese society hill** Originally written in 1975 this is one of the earliest books I've found that addresses directly the role of women in Chinese society. **Women in Chinese Society kindle store** While not written by a woman this work showed clear views on thinking of women at the time she interpreted as to what was considered normal and what was considered radical. **Women in Chinese societygif** She postulated how this work could contribute to the women's literary movement that sprung up 50 years afterwards: **Book Women in Chinese society 2021** While not written by a woman this was a text which she believed was intended to be read by women. **Women in Chinese Society kindle paperwhite** She seemed to gloss over many interesting points in Ch'iu's life and make unfounded conclusions. **Book Women in Chinese society pdf** When she mentioned how westerners were despised and that Ch'iu had inspiration from Mulan and Guan Yin. **Women in Chinese societygif** A fascinating woman that I fear had not had her story told accurately. **Book Women in Chinese society insurance** The idea of a cross-dressing bomb wielding extortionist or joined the triads and befriended women sounds like an amazing story to me, **Women in Chinese societyddd** Hopefully one day I'll be able to come up with a more modern and illuminating account of her life: **Book Women in Chinese society 2021** Unfortunately this essay was by far one of the poorest written in this book, **Women in Chinese societygh** The third essay was Marjorie Topley Marriage Resistance in Rural Kwantung. **Book Women in Chinese society of america** A fascinating and groundbreaking look at the women of the Canton delta who formed women's associations and waited to get married making money and taking jobs first. **Women in Chinese societygif** Several ideas in this essay have since been disputed or further explained by Janice Stockard in her book Women of the Canton Delta: **EBook Women in Chinese society 2021** But it is a fascinating area of research and an interesting look at a very untraditional view of women's roles in Chinese society: **Book Women in Chinese society of america** Margery Wolf's essay follows along similar lines using the same data as her husband to look at suicide among women in China. **Women in Chinese societybd** Elsewhere in the world women were half as likely to commit suicide than men in China they were just as likely. **Epub Women in Chinese society** She looks at the different cultural reasons for suicide and questions the western standard of assuming that all suicides will fit into their model: **Women in Chinese Society epub download** Yi-Tsi Feuerwerker's essay looks at women writers in the 1920's and 30's, **Women in Chinese Society pdf reader** She is quick to point out the lack of history of women writers in China and the short comings of the writers she is studying. **Book Women in Chinese society6** However almost every conclusion she makes then seems to have a little aside saying the exception to this being Ting Ling (Ding Ling) who, **Women in Chinese societyddd** As Ding Ling is my favorite women writer from that time sharing the same bias as the author made me happy. **Women in Chinese Society book pdf** Emily Ahern's essay addressed the power and pollution of women in Taiwan an interesting look at the influence of menstruation.

. But found it an interesting anthropology essay. And highly recommend Ahern's book. Western approach. On the whole a nice little book of essays. Something that I find very odd and a little annoying. 0804708746 still useful today. This is also the area that women's script was written
