Fantasy Divine rivals main But she didn’t need that bc she was self sufficient all on her own”But I realize that people are just people and they carry their own set of fears dreams desires pains and mistakes.

Divine rivals book series I felt like I connected with her and saw her in myself (we love the relatability) and all the way through I was rootingg for her”Get a grip on yourself she thought hands on her knees eyes closed.

Divine rivals book summary He was just so kind so soft with her so infuriatingly handsome (in my head) mine and everyone else’s book husband as of now and so selfless as he dropped everything to follow her! as if I didn’t already love him and he goes and does that ughh and protected her with his life.

Divine rivals book 2 I’m gonna need the next book RIGHT NOW Rebecca (both Rebecca’s iyk yk) bc I have more questions than answers in what happens next after that cliffhanger

Divine rivals pdf ' i loved how instead of finding her worth within other people he literally fucking travelled to the front lines of WAR to be with her he shielded her using his body without a moment of hesitation.

Divine rivals book Caught somewhere between a WWII novel and star-crossed fantasy-world lovers I wanted so much more for the story between Iris and Roman - BUT I HAVE HIGH HOPES FOR THE NEXT BOOK BECAUSE THE WRITING IS SO GOOD.

Book divine rivals Both of the main characters and how we perceive their independent grief and subsequent healing of each other is really beautiful - and this is where I struggled; I don't want to give anything away but I feel like their story deserved more.

Divine rivals free pdf online Romance: ☹️☹️/5 - The SLOWEST of burns - but I've realized that Roman and Iris's story is beautiful even if it will take some time for me to want to come back to the series.
