I enjoyed Book Two in this series probably than Book 1 as the reader got to delve a bit into the kingdom created by the author but I found it a little repetitive and missing some of the excellent writing and world building that's made Breene a one click author : A Throne of Ruin (Deliciously Dark Fairytales Book 2) eBook : Breene K. **Travis Kelce** : Kindle Store | shifters | SPICY | LIKE VERY SPICY | dark fairytale | enemies to lovers | fated mates | dragon shifter | humorous | strong FMC | forbidden love | star crossed lovers | beauty and the beast | alpha | Okay so listen I had criticisms of the first book. **Pi day** We aren't watching two weak lost characters strengthen and grow into new and better people we are watching two strong independent people learn how to lean on one another and push each other higher. **Ohio tornado** We see a little of the "castle's delights" but I would say that the main focus is upon the leading characters who are on a very physical journey that strongly ties in with their emotional one. **Kindle fire** : Kindle Store Esse livro é definitivamente muito quente e inesperado! por favor traduza ele! Ler em inglês e meio lento p mim mas tive que continuar! E sim vou ler o terceiro! : A Throne of Ruin (Deliciously Dark Fairytales Book 2) eBook : Breene K: Sign up for her newsletter to hear about the latest news and receive free bonus content ☐ ☐ @kf_breene Facebook ☐ facebook, **Michaels** com The underlying story continued from Book 1 (brainy Beauty finds and helps the Beast and kingdom) is actually quite interesting and good, **Seattle Seahawks** But the spice level is almost too much and takes away from the otherwise really good storyline. **Steelers news** : A Throne of Ruin (Deliciously Dark Fairytales Book 2) eBook : Breene K: **Nikki haley** : Kindle Store Loved the taunting and teasing of both characters: **Pdf drive** : A Throne of Ruin (Deliciously Dark Fairytales Book 2) eBook : Breene K, **Poki** : A Throne of Ruin (Deliciously Dark Fairytales Book 2) eBook : Breene K. **Poki** : Kindle Store This book is SPICY and holy hotness Batman just wow none of it was repetitive and I was Seriously good, **Peacock** But what even better is the fact that even beating as spicy as it was this book has a strong plot that is still carrying me into the third book: **Pi day** Yes it's a : A Throne of Ruin (Deliciously Dark Fairytales Book 2) eBook : Breene K. **Ebook reader** : Kindle Store The only thing protecting me from the demons...is the beast: **Pandora** It's only a matter of time before they call in the demon king: **Book creator** That I should barter with the demon king to escape this place: **Chicago Bears** But can I give myself to the creature responsible for torturing the people I love? In order to save them though I might not have a choice: **Steelers news** _____ This is a dark and spicy Beauty and the Beast retelling featuring an anti hero a strong heroine and a humorous supporting cast. **Office 365 login** This is an enemies to lovers and possible fated mates story suitable for 18+, **Michaels** : A Throne of Ruin (Deliciously Dark Fairytales Book 2) eBook : Breene K: **Ebook** Breene is a Wall Street Journal USA Today Washington Post and Charts bestselling author of paranormal romance urban fantasy and fantasy novels, **Book bolt** With over four million books sold when she's not penning stories about magic and what goes bump in the night she's sipping wine and planning shenanigans, **Seattle Seahawks** Easy reading and you'll save about 1/6 of book skimming over all the raunch, **Poki** : A Throne of Ruin (Deliciously Dark Fairytales Book 2) eBook : Breene K. **Steelers news** : Kindle Store 'A Ruin of Roses' set the stage and now 'A Throne of Ruin' is going to lead us on a merry dance: **Obs** Nyfain has done the noble thing and left Finley with her family, **Pdf editor** Obviously she's not too happy about this but their push and pull relationship is far from over. **Pi day** The fate of the kingdom is in their hands and despite the distance Nyfain wishes to keep between them they will need to work together to help the sick and the dying, **Book outlet** Fate and their animals won't allow them to stay apart for long, **Epub format** I loved watching Nyfain and Finley fall for one another throughout this leg of their journey; even if the end of this novel does end in

heartache: **Office 365 login** That's a small spoiler I suppose but it's also a warning, **Steelers news** You won't want to stop reading so be ready to move straight on to book three, **Yelp** The couple learning to work together supporting one another and respecting the other is a beautiful thing. **Pandora** We're watching the kingdom strengthen and grow despite the crushing oppression of the curse. **Book of enoch** It also bears mentioning that as I suspected the heat level goes right up throughout this novel with some very imaginative and filthy scenes. **Epubor ultimate** So if erotica is not your thing I would definitely advise you proceed with caution, **Newegg** But and this is the important part it doesn't detract or take the place of the plot. **Zelle** There's just as much going on when the characters are fully clothed as there is when they aren't. **Detroit Lions** Cheers! : A Throne of Ruin (Deliciously Dark Fairytales Book 2) eBook : Breene K: **Travis Kelce** : Kindle Store When I first started the series I was skeptical but just within the first few chapters I could not put the book down: **Bookshelf** : A Throne of Ruin (Deliciously Dark Fairytales Book 2) eBook : Breene K[1]
